IV. Update on Online Dashboard - Chair

V. Public Comment

VI. Adjournment

CPAC Committee Charges:

1. To assess the voluminous data presented to CPAC on a quarterly basis, and determine: (a) if it is the right data and if it is relevant; (b) if there is other data needed to monitor the child protection system; and (c) if the data or analysis of it is outcome driven;

2. To develop dashboards for measuring Delaware's child protection system which will be reported out to CPAC on a quarterly basis; and

3. To use the dashboards to inform system improvement and CPAC initiatives.
