Mr. Schenck called the meeting to order at 11:27 a.m.

NEW BUSINESS

Discussion of the "Tracking Supervised Practice"

Mr. Schenck discussed the reason for the committee meeting. A question was raised about needing to have §3716 B in the Statute. Discussion about 4.0 in the Rules and Regulations and maybe adding some new language under 4.0. Ms. Reardon addressed the Board about adding a regulatory change which will explain what §3716 B means in the Rules and Regulation instead of trying to change the statute. Mr. Schenck will develop a form for supervised practice. Ms. Wagner will see about having a question added to the Renewal form before the next renewal. The question will be in reference to the duty to report.
