Review of Continuing Education Reports Submitted in Response to Random Audit

The Board reviewed two continuing education logs received with supporting documentation pursuant to the random audit. Old Business

Revision to Rules and Regulations – SB 229

Public notice of the rules and regulations hearing scheduled for June 14, 2005 will be published in two newspapers and in the Register of Regulations. At that meeting, the Board will also conduct regular business, including review of continuing education audits.
Diane A. Lee – Previously Tabled Application for Licensure by Reciprocity (Kansas)

DAG Reardon reviewed the licensure requirements of Kansas and compared those requirements to Delaware’s in order to determine if the applicant could qualify for licensure through reciprocity. The Board was unable to find the Kansas requirements to be substantially similar. DAG Reardon was unable to determine if Kansas required applicants for licensure to be 21 years of age or to complete a required course of study. The application was reviewed by the Board to determine whether the applicant would qualify for licensure through direct application. The applicant had completed a 480 hour course and pursuant to Rule and Regulation 7.1.3 Delaware requires a 6 month AIT program based upon the applicant’s bachelor degree in management and ethics. A motion was made by Mr. Kieffer, and seconded by Mr. Spilecki, to notify the applicant that it was not clear from the application whether she met the requirements for direct licensure. She will need to either provide evidence of having 6 months administrative experience or of completing a 9 month AIT program. The applicant will be advised that if this information is not received by the July 2005 meeting that her application will be proposed to deny by the board. The motion was unanimously carried.

Any Other Business Before the Board (for discussion only)

For information purposes, the Board received a letter dated April 19, 2005, from the Delaware Developmental Disabilities Council addressed to the Delaware General Assembly regarding H.B. No. 72.

Adjournment

There being no further business before the Board, Ms. Johnson made a motion, seconded by Mr. Spilecki, to adjourn the meeting. The motion was unanimously carried. The meeting adjourned at 3:45 p.m. The Board will hold a public hearing and review any applications or continuing education audits on June 14, 2005, at 2:00 p.m. The next regular meeting will be on Tuesday, July 12, 2005 at 2:00 p.m.

Respectfully submitted,

Dana M. Spruill
