

Public Workshop Open Space Council

**Dover Public Library Meeting Room A*
35 E Loockerman St, Dover, DE 19901**

**Thursday
February 16, 2017
5:30pm**

This workshop is to gather public comments on the draft outline of the Open Space Program Plan (Plan), which is required by the Land Protection Act, [7 Del. Code § 7506](#). The Plan shall include the Council's and state agencies' strategies, goals, and priorities for the application of funds available for the permanent protection of land. The Plan may include analysis and discussion of various creative and innovative methods to secure the permanent protection of open space land. After public comment is incorporated into the draft Plan, the full Open Space Council will review it during the March 1, 2017 Open Space Council Meeting. A final version will go to public hearing on March 8, 2017 at 5:30pm in the Dover Public Library.
