

Delaware Department
of Transportation

Capital Transportation Program Hearings

Interested persons are encouraged to participate in the development of the state's next six-year Capital Transportation Program (CTP) for Fiscal Years 2020 – 2025 and each of the Counties' four Transportation Improvement Programs (TIPs) for Fiscal Years 2019-2022, by attending public hearings to be held in September. The hearings are jointly sponsored by the Council on Transportation, the Delaware Department of Transportation (DelDOT), Wilmington Area Planning Council (WILMAPCO), Dover/Kent MPO, Sussex County, and Salisbury Wicomico MPO.

The hearing will also include and present information on DelDOT's long range planning effort, "Innovation in Motion". This is the federally-required five-year update of the State's long range transportation plan. Information will include summaries of the update process, outreach efforts and results to date, and key short and long range challenges and opportunities anticipated for the State's multi-modal surface transportation system. The public is invited to provide additional comments and perspectives on the State's transportation needs over the next 25 years.

The first DelDOT public hearing will be held in conjunction with the Wilmington Area Planning Council (WILMAPCO) on **Wednesday, September 5, 2018 from 4 p.m. until 7 p.m. at the Newark Free Library, 750 Library Ave., Newark, DE 19711**. Project information will be displayed, and there will be opportunities for discussion with DelDOT and WILMAPCO representatives.

The second DelDOT public hearing will be held in conjunction with the Dover/Kent County MPO and will be held on **Tuesday, September 11, 2018, from 4 p.m. until 7 p.m. at DelDOT, 800 Bay Road, Dover, DE 19901**. Project information will be displayed, and there will be opportunities for discussion with DelDOT and MPO representatives.

The third DelDOT public hearing will be held in conjunction with both Sussex County and Salisbury Wicomico MPO on **Wednesday, September 26, 2018, from 4 p.m. until 7 p.m. at the DelDOT South District Administration Building, 23697 DuPont Boulevard, Georgetown, DE 19947**. Project information will be displayed, and there will be opportunities for discussion with DelDOT and county representatives.

The MPOs are comprised of representatives from state, county, and local governments, and citizen and technical representatives. Mandated by 29 Delaware Code, §8409, the hearings are designed to ensure that the public has ample opportunity to participate in the planning process. The Council on Transportation is composed of citizen representatives from each county in the state. Members are appointed by the Governor.

The meeting locations are accessible to persons having disabilities. Any person having special needs or requiring special aid, such as an interpreter for the hearing impaired, is requested to contact DelDOT by phone or mail one week in advance of the planned event. Questions, comments or written material can be submitted to: Department of Transportation, Office of Community Relations, P.O. Box 778, Dover, Delaware, 19903, or call 1-800-652-5600 (in Delaware) or (302) 760-2080, by fax 302-739-2092 or e-mail dotpr@state.de.us
