

**DNREC-Site Investigation and Restoration Section  
LEGAL NOTICE**

**PUBLIC HEARING**

The Department of Natural Resources and Environmental Control, Site Investigation and Restoration Section (DNREC-SIRS) will conduct a public hearing on the proposed amendments to 7 DE Admin. Code 1375, *Regulations Governing Hazardous Substance Cleanup*. The aforementioned Regulations include the Brownfields Development Program, which is intended to provide liability protection to parties who did not cause or contribute to a release of hazardous substance on a real property. The intent of the proposed amendments is to clarify the distinction between a ‘certified brownfield’ and a ‘facility’.
