Cindy Cunningham, Public Member
Cindy Denemark, Patients' Rights Representative- Department of Health and Social Services
John Goodill, Medical Society of Delaware
Don Keister, Public Member
Kevin Musto, Delaware Pharmacists Society
Pete Sawyer, Department of Homeland Security

Members Absent-

Julia Lawes, Department of Justice

Division Staff and Deputy Attorney General-

Geoff Christ, Director- Office of Controlled Substances
Jason Slavoski, PMP Administrator
Jason Staib, Deputy Attorney General

1. Call to Order

Mr. Keister called the meeting to order at 3:03pm.

2. Review of Minutes

Mr. Keister called for a review of the minutes from the previous meeting. Cindy Denemark made a motion to approve minutes. The motion was seconded by Dr. Goodill. By unanimous vote, the motion carried.

3. New Business

Mr. Keister called upon Dr. Slavoski to discuss the following:

3.1. Discussion Regarding Updates on PMP Operational Improvements

3.1.1. Prescriber Tools

Dr. Slavoski discussed an enhancement to the PMP that improved the patient matching algorithm used to consolidated patient profiles.

3.1.2. Administrative/Analytic Tools

Dr. Slavoski discussed changes made to reporting measures in Jasper and Tableau to align the two systems.

3.1.3. Interstate Interoperability

Dr. Slavoski showed a map of the 31 currently connected states and the U.S. Department of Defense.

3.1.4. Electronic Health Record Information Systems Integration

Dr. Slavoski discussed the 34 health systems/provider practices and 85 pharmacies with integrated access to the PMP.

3.1.5. Updates on SUPPORT Act, PMP requirements

Dr. Slavoski discussed the recently passed legislation entitled the SUPPORT Act and the relevant PMP requirements associated with it.

4. Public Comment

No public comment.

5. Executive Session

By unanimous vote, the Committee entered Executive Session at 3:56pm. By unanimous vote, the Committee exited Executive Session at 4:15pm.

6. Other Business

Ms. Denmark discussed the removal of alprazolam from the DMMA formulary. She also discussed that a diagnosis code would be required on each benzodiazepine prescription being adjudicated through Medicaid as well as a maximum 14 day supply on new benzodiazepine prescriptions. Ms. Denmark informed the Committee that the shortage on Buspar had ended, but that Haldol and hydroxyzine pamoate are now backordered.

7. Next Meeting

The next meeting will be held on September 24, 2019 at 3:00pm at the Buena Vista Conference Center in the DuPont Room.

8. Adjourn

A motion to adjourn was made by Mr. Sawyer and seconded by Ms. Cunningham. By unanimous vote, the motion carried. The meeting adjourned at 4:27pm.
