The Behavioral Health Consortium (BHC) is an advisory body comprised of community advocates, law enforcement, healthcare professionals, and state leaders that works towards solutions for action to address prevention, treatment, and recovery for mental health, substance use, and co-occurring disorders. The consortium continues to develop short-term and long-term strategies and initiatives to address the major addiction and mental health challenges we face in Delaware.

Please contact the Office of Lt. Governor Bethany Hall-Long for any additional information at 302-744-4333 or email at alexia.wolf@delaware.gov
